REGISTERS.

"A REGISTER BELONGING TO THE
PARISH OF
KEMPSFORD."

I was shown, in the Office of Fr. Townsend, Esq., Rouge Dragon Poursuivant at Arms in the Heralds College, July 10th, 1828, a small and very much mutilated parchment book with a cover of parchment, in quarto, within the cover of which a hand much later than the book had written the foregoing Title. It is written at both ends, but on what is properly the first leaf are written two Affidavits of the Registrars elect, according to the Statute. Then follow five leaves of Births, Burials, and Marriages, and one shamefully torn loose leaf, which seems to be one of many torn out after the fourth leaf, then after two more, very many leaves, perhaps more than now remain altogether have been cut out, fragments only of the inner margin remain. The rest of the book, nine leaves, begins at the other end, & contains an account of Church briefs for fires & the amount collected under each, from 1694 to 1744.

Here, after this fourth leaf, begins the mutilation ; so that from the beginning of 1659 to 1695 there is nothing remaining but one leaf, wilfully torn, in one part an inch and a half into the inner margin, namely, at " Thomas Bell," &c. With the exception of this leaf of marriages from 1653-7, there are no burials nor marriages until 1695 ; and then only two leaves, which are written by a clever man, in a close hand, betraying a laborious & studious mind. It is likely that he began to write in 1693, as the Church Briefs begin in the same hand at the end of that year, and are continued to 1711 ; the rest by different hands to 1744-5.

The rest of this page, about half is vacant, wherefore possibly this register did not come lower than 1700, notwithstanding what I have heretofore noted; it is observable that the relics of 4 leaves which have been cut out of the middle of the book, have no sign of writing upon them, & perhaps many of them were blank, yet there has been undoubtedly an abominably wilful mutilation of this important Book, whether for concealment sake or mere ignorance I am not to judge, but the latter cover bears evident marks of having been long placed under a garden pot!!!
